

MICHAEL CUPELES, CCAP

Strengthen Father Engagement. Build Meaningful Parent Partnership.

Fatherhood Systems Consultant | Trainer | Speaker | Strategist

Michael Cupeles, CCAP, is a fatherhood systems consultant, trainer, speaker, and facilitator whose work connects father and male caregiver engagement, parent partnership, lived expertise, family strengthening, prevention, and organizational improvement. His perspective combines direct practice with fathers and families, organizational learning, cross-sector collaboration, and state and national advisory participation. His experience includes fatherhood work within Head Start and Early Head Start systems. Michael is a Certified Community Action Professional and communicates in English and Spanish.

Topics for Professional Audiences

Father & Male Caregiver Engagement

Move beyond attendance and examine outreach, communication, and everyday engagement barriers.

Lived Expertise in Organizational Decisions

Clarify roles, participation supports, and influence in advisory and planning structures.

Welcoming Organizational Culture & Staff Practice

Review intake, communication, and environments for practical changes staff can apply.

From Parent Participation to Meaningful Partnership

Give parent perspectives a clearer role in organizational decisions and review.

Fatherhood Engagement as Upstream Prevention

Connect father engagement with prevention and family-strengthening priorities.

Cross-Sector Collaboration & Systems Improvement

Build a shared agenda, defined contributions, and meaningful implementation review.

Fit the Work to Your Audience

For nonprofits, public agencies, health and family-support organizations, education and prevention systems, courts and child-support professionals, associations, conferences, and interdisciplinary teams.

Keynotes, interactive workshops, panels, facilitation, and consulting support can be explored. Format, language, materials, scope, and investment are agreed in a tailored proposal. English and Spanish professional communication.
